

Sonia

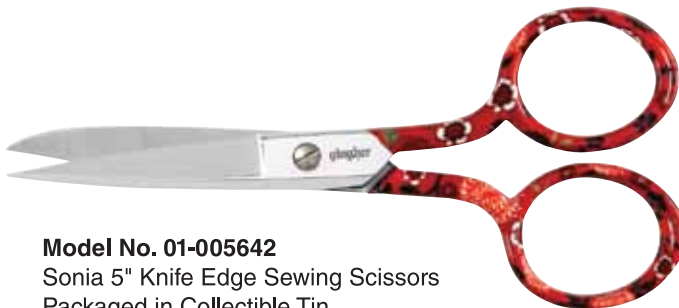

2010 DESIGNER'S SERIES

There is a bold new design in the Gingher® lineup of Designer Series scissors and shears called *Sonia*. This floral pattern features white chrysanthemums and petite blossoms on a background of firecracker red; a sizzling combination that is both sweet and spicy! Gingher® will bring the quality and cutting performance to your workroom, and *Sonia* will bring the creative inspiration!

These scissors and shears were manufactured using an ornamentation process that gives each a unique design. *Sonia* will only be offered in limited quantities, making each a treasure to own.
