## ELSA'S SIGNATURE EMBROIDERY SCISSORS

Havel's is proud to have introduced new designs in machine and hand embroidery scissors. Many feature double angles that reach easily over machine hoops and curved tips that cut closely and cleanly. Several are also

available in left hand versions and some with larger finger loops.

For anyone that has experienced tired hands, be sure to see our line of squeeze scissors!

## THE "ULTIMATE" MACHINE EMBROIDERY SCISSORS

Today the "Ultimate" scissors is a must have for anyone doing machine embroidery. Designed with double angles, it reaches easily over the hoop and under the presser foot to cut threads. The unique shape makes it

easy and quick to pick up and the curved blades cut close each and every time. This 5 1/4" scissors is also perfect for machine quilting! Need larger fingerloops? Click on the link below!

### **The "Ultimate" Machine Embroidery Scissors**

C33025

[Larger Finger Loop "Ultimate" Machine Embroidery Scissors](#) Another version of our popular "Ultimate" Machine Embroidery Scissors! For extra comfort we've made the finger loops larger yet kept the same double angles for reaching over the hoops. Larger loops make these easier for larger hands to pick up and use. The finely curved tips cut threads cleanly for a nice finished look. 5 1/4" in length.

### **Larger Finger Loop "Ultimate" Machine Embroidery Scissors**

C53025

## SMALL DOUBLE CURVED SCISSORS

The perfect scissors for hand embroidery or any type of handwork such as crossstitch. The 3 1/2" length makes this scissors easy to maneuver, while the curved blade tips cut close without harming fabric.

The angles allow you to reach easily over any hand or machine hoop. Every sewer should have at least one!

### **Small Double Curved Scissors**

C30040

[Larger Finger Loops Double Curved Scissors](#) For extra comfort, we offer our Double Curved Scissors with Extra Large Finger Loops. Easier to pick up and ideal for arthritic hands, these scissors still feature all the benefits of the original Double Curved Scissors. The angles will reach easily over any hoop and the curved blades make cutting threads simple in any type of handwork.

### **Larger Finger Loops Double Curved Scissors**

C50040

## 3 1/2" EMBROIDERY SCISSORS WITH CURVED TIPS

When straight tips just won't do, we have the traditional 3 1/2" embroidery scissors with curved tips. Fine cutting blades cut close to the fabric to leave a

professional look. Always a handy pair of scissors to have on your sewing table.

**3 1/2" Embroidery Scissors with Curved Tips**

C30012

## "ULTIMATE" SQUEEZE MACHINE EMBROIDERY SCISSORS

We took two of our most popular scissors and combined their best features! The "Ultimate" Squeeze Machine Embroidery Scissors has the same double angles as the Ultimate Machine Embroidery Scissors, but with the squeeze action of our Snip-Eze. The ridged handle allows for a quick and easy pick up and good control while cutting. Unique angles reach over any machine hoop. The blunt tips on this pair are ideal when you need to keep fabric from being poked or torn. Also available with pointed tips. 6" in length.

**"Ultimate" Squeeze Machine Embroidery Scissors**

C33026

## "SNIP-EZE" EMBROIDERY SCISSORS

The only snips you will ever need! Havel's "Snip-Eze" are a must for every sewer. Convenient and quick to pick up, these lightweight snips are great for hand or machine

embroidery. The easy squeeze action is perfect for tired or arthritic hands. Curved tips fit nicely under the presser foot, to make snipping threads fast and clean. Snips are 4 3/4" long and for right or left hand use.

## "ULTIMATE" SQUEEZE POINTED MACHINE EMBROIDERY SCISSORS

Same as our C33026, this is our "Ultimate" Squeeze Machine Embroidery Scissors with pointed tips. The scissors is also 6" in length with multi angles that reach over any machine hoop. Squeeze handles make picking up quick and easy, and are ideal for tired or arthritic hands. Fast becoming a best seller!

## SMALL DOUBLE-CURVED LACE TRIMMING SCISSORS

A unique scissors with very short blades and interesting angles! The double curves are designed to ensure excellent viewing while the extra short blades allow for increased control and accurate cutting. Blunt tips protect lace while trimming. 4" in length.

**Double-Curved Lace Trimming Scissors**

C33017

## SNIP-A-STITCH SCISSORS

The most popular addition to the Havel's line of sewing scissors, the Snip-A-Stitch is the perfect scissors for removing a single stitch. The notched blade slides easily under a single thread and cuts quickly and cleanly. An

easy squeeze action is ideal for arthritic hands and makes picking up simple. Great for all types of needlearts and embroidery! 4 1/2" in length.

**Snip-A-Stitch**

C33009

## APPLIQUE SCISSORS

These are not your traditional applique scissors, but better! Improved angles provide easier viewing when cutting and also a more comfortable position. Several designs feature rounded tips to protect the fabric from being poked or torn. Choose from different designs, lengths, and angles. Many are also available in left handed and larger finger

looped versions.

## DOUBLE CURVED APPLIQUE SCISSORS WITH POINTED TIPS

Double curved applique scissors are 5 3/4" long with raised finger loops to keep hand away from surface. Short

narrow blades reach into small areas easily, while pointed tips are excellent for cutting in tight places.

**Double Curved Applique Scissors with Pointed Tips**

C33014

## FABRIC AND LACE SCISSORS

Why compromise when cutting lace? We offer several options including straight and double-angled scissors. Keeping in mind that fabric is very delicate, our Lace Scissors feature rounded tips and also blunt tips. Reasonably priced, there's no reason why everyone can't own one.

## EXTRA FINE-TIPPED DOUBLE CURVED SCISSORS

For those times that you need to cut threads in very tight places, we have the perfect scissors for you! Our Double Curved

Scissors with Extra Fine Tips are 3 1/2" long, with double angles to keep your hand out of the way. The extra-fine tips reach into small areas to cut closely and cleanly without harming the fabric. Easy to use in any type of machine or handwork.

**Extra-Fine Tipped Double Curved Scissors**

C60040

## LEFT HAND DOUBLE CURVED SCISSORS

Our very popular Double Curved Scissors is available in a left hand version for our left-handed sewers. The convenient 3 1/2" size of this very versatile scissors is ideal for hand or machine embroidery. Raised finger loops keep hand out of the way, while curved tips cut close without harming

fabric. Every sewer should have at least one!

**Left Hand Double Curved Scissors**

C40040

## DOUBLE CURVED LEFT HAND APPLIQUE SCISSORS

This is the left hand version of our fabulous double curved applique scissors. Scissors is also 5 3/4" long with raised finger loops to keep hand out of the way. Rounded tips won't poke or tear fabric.
